## **Tasks of volunteer:**

The project offers a diverse variety of activities, out of which the volunteers will choose, according to her/his skills and abilities.

## **Working in schools in the rural areas**

In schools, the volunteer will assist the English, French, Sports or Art teachers. According to her/his preferences and knowledge, the volunteer will design activities that will familiarize both the students and the teachers with the methods of non-formal learning.

The volunteer will also have the task to organize after-school activities, on different topics, at her/his choice.

## **Working in kindergarten**

The volunteer will assist the English teacher and have the freedom of proposing different games and activities for the children. The volunteer can also participate at the handmade lessons.

## **Language clubs**

Another activity proposed for the volunteer is the language club. The courses are design for youngsters with fewer opportunities that cannot afford private tutoring in foreign languages.

## **Info-campaigns**

Another task for the volunteer will be to design materials promoting the voluntary work and EVS, and to spread them to the youngsters in the local community, during two Info-campaigns, organized in high schools and universities.

At the end of each week, the volunteer will have to fill in an evaluation form where she/he will state the activities and the results of the week that has passed, and also to make a draft for the week to come.

Twice a week, the volunteer has the obligation, if not on holiday, to take part to the team-building and orientation meetings organized by the HO for all EVS volunteers.

And the arrival of the volunteer, she/he will be informed about the rules of the HO, both in the working place and in the flat. Any irregularity will be sanctioned.

**Working hours and days off:** 6 hours per day, 5 days per week, two consecutive days off per week and 2 days holiday per month for the duration of the project.

**Food and Accommodation:** The volunteer will live in a flat, double bedroom with shared cooking, washing, laundry and social (TV and Wi-Fi) facilities. A weekly food allowance is provided (100 €)

The Host Organization reserves the right to make periodical checks at the apartment, in order to make sure everything is kept in clean and tidy.

**Local Transport:** A monthly local transport allowance is provided (25 €) for transport in the rural areas. For transportation in the city, the volunteer will get a bike.

**Volunteer Allowance:** The volunteer will receive a monthly allowance of 60 €

## **Learning Outcomes:**

### **Interpersonal and social competences**

Adaptability and coping with new challenges, team-working with colleagues, sharing responsibility for living together with a multi-national team of volunteers

### **Cultural expression**

Developing cultural awareness of each other's needs in a multi-cultural setting

### **Communication in mother tongue and in foreign languages**

Communicating, socialising and negotiating in a second language (English)

In addition to ensuring effective mentoring for each volunteer, the Co-ordinating Organisation will take full responsibility for monitoring the whole learning process – explaining it fully at the on-arrival training, conducting a thorough mid-term evaluation and issuing the Youthpass Record of Achievement on completion of each volunteer's service.
